Proposals Due May 8, 2020

1. The RFP does not call for a budget, budget justification, or scope of work to be submitted; should these be submitted with the application?

2. Do you have guidance on when awards would be made and funding would be received?
A: Selection of the awardee will be made by mid-June. The award should be made within approximately one month of the decision. Please plan for a start date between July 15 and September 1 in your budget and project plan.
3. Will NCGVR accept proposals from an individual?
A: Individuals are not eligible for an award from NCGVR.
4. Will NCGVR accept proposals from someone based at an international university?
A: International universities are eligible to apply for this award, as long as they meet the same requirements as a U.S.-based 501(c)(3) public grantee under U.S. tax law.
